Wai‘anae Moku Community Partnerships

Kulia & Ka Lama Education Academy
The Kulia and Ka Lama Education Academy (KKLEA) of the Institute for Native Pacific Education and Culture (INPEACE) assists community residents interested in becoming teachers to obtain the appropriate college certifications and degrees so that they can be teachers on the Wai'anae Coast. Participants interested in early childhood education are supported in obtaining their Child Development Associates degree and continue their education in the early childhood field. Those interested in teaching in the K-12 system are provided with guidance to obtain their Associate's degree and gain admittance to Hawai'i state approved teacher education programs. KKLEA bundles social, education, and financial support for its participants including individual college and financial coaching, test support, financial literacy workshops, scholarship opportunities to qualified participants, and social support events. For more information, call (808) 696-5556 or email kklea@inpeace.org.
