

# Accounting: Academic Subject Certificate

## Description

The Academic Subject Certificate, Accounting is designed to provide workforce skills to Liberal Arts students while earning their AA degree. Students taking these courses will also be able to enter the workforce after receiving their certificate and can continue to work while pursuing a bachelor's degree. In addition, students interested in exploring accounting as a possible major at a four-year institution can take these courses as electives while earning their AA liberal arts degree.

## Program Learning Outcomes

Upon completion of the program, students will be able to do the following:

- Perform basic accounting tasks and maintain accurate accounting systems including the preparation of financial statements
- Access, analyze, and interpret information to make judgments and to solve basic business problems
- Use appropriate software to complete accounting/bookkeeping tasks
- Interact with customers,
