

Graphic Design: Certificate of Competence

Description

Training in practical, technical, and theoretical desktop publishing skills used by the graphic arts and allied industries in the areas of publication and print promotion.

Program Learning Outcomes

Upon completion of the program, students will be able to do the following:

- Design attention-grabbing communication graphics to meet specific commercial or promotional needs, such as packaging, displays, or logos while meeting industry standard specifications.
- Identify complex problems and review related information to develop and evaluate options and implement solutions.
- Demonstrate proficiency in the use of Graphic Design software and hardware.

Program: [Digital Media](#)
